PTA News

Congratulations to everyone for the Elvis Night. It was a great success; highly enjoyable and raised lots of money for the school

Governors

Well done and thank you to everyone (parents, Governors and staff) who did a great job on Maintenance Day. Also to the team of people who are 'stamping' the Go for Gold passports.

School Council/Eco Team/Gardening Team

The 'design an Easter hat' competition was a great success and raised funds for the Taylan Project, too.

Please help us to keep the school grounds clear of litter; the Eco team keep litter picking and the litter keeps coming back! Thank you to our 'gardeners' (and their leaders) who are doing a great job looking after all our plants and flowers.

Reminders:

- Children still need to bring a jumper and coat to school – the weather is so changeable!
- After a child's absence please either email or send in a 'sick' note. It is a legal requirement and we have to keep them for three years!
- We are very grateful for all your help but please remember to sign the Visitors' Book when you come in to school.
- Please try to remember to park considerately – we are still getting complaints from our neighbours.
- Please will everyone remember that the rule about no parking on the zig zags and not turning in the school entrance (especially when the children are coming in or out of school) applies to EVERYONE. We know who you are!
- No Frubes or yogurt pouches in lunch boxes please – they are very messy.

Advance notice

We are planning to take the children to see Cinderella at the new waterside theatre in Aylesbury on **Thursday 16th December**. Details will come out at the beginning of next term but pop it in your diary now – and remember not to book it yourselves!
